

BUFFALO UNITED FOOTBALL ACADEMY

Dear Buffalo United Football Supporters:

Buffalo United Football Academy is Western New York's premier off-season training program for tackle football athletes. By offering a series of position-specific clinics & camps, our WNY tackle football athletes can train in the off-season & get a competitive edge for next season. Our programs are ideal to give athletes a non-contact way to prepare for the tackle football season. To provide the safest training environment, we are looking for sponsorships to purchase safety equipment such as an upgraded AED, medical supplies, cooling fans & more. Our coaches strongly believe that off-season training & focusing on the fundamentals, will result in more skilled athletes & a safer tackle football environment. Every dollar will go towards supplies to ensure the safety of our athletes. Thank you for your continued support; it is greatly appreciated.
